Hafa Adai CE&O Family,

Letter of Appreciation

Thank you for pouring out your time and energy in conducting the farmers' focus group study for needs assessment on Saturday, June 19th, 8am-2pm. I want to extend my heartfelt gratitude in recognition of your dedicated effort. Each of you demonstrated courteous and professional service to all the people engaged in this research and outreach activity.

Glenda, Jasmine, and Jomar assisted with the check-in process. Mary, Celia, and Laarnie guided participants to assigned seats. Glenda, Jasmine, and Jesse facilitated small group discussions. Mary, Celia, and Laarnie did an excellent job as recorders. Leo and Joyce (Leo's wife) helped Chinese farmers with translation into Chinese. Jomar took wonderful photos for everyone and served as a timekeeper. Mary was a great Master of Ceremonies (MC) for the event. All of your unreserved effort in distributing the focus study was highly appraised. I sincerely appreciate the assistance and effort to support our extension's mission and the local farming community. I look forward to working with you all in future extension activities.

Sincerely,

Kuan-Ju Chen, Ph.D.

Assistant Professor, Agricultural Economics
