RE: Fañomnåkan 2021 Faculty General Election Results

Håfa Adai todû hamyo,

Results of the Faculty General Election that was held from April 6th-9th, 2021 are reported below. **A total of 107 ballots were cast.** Please note that names in bold font in gray-highlighted cells are those elected to the various positions. Those with asterisks indicate ‘Write-In’ votes. All write-in candidates who have received enough votes potentially to be elected will be contacted to determine their eligibility and their interest. The Faculty Election Commission has verified that all names listed for the Promotion and Tenure Committee and the Faculty Election Commission satisfy the ‘10% rule’ of the total ballots cast by those who voted for the position. All names listed in the remaining committees satisfy the ‘10% rule’ of ballots cast by those who voted for that position.
